ABOUT GM GROUP

GM Plastic Industry is a pioneering manufacturing and import/export company based in Pakistan. With a legacy dating back to 1985, we've earned a stellar reputation in the juicer market. Leveraging over a decade of trading experience with China and strong importer ties, we've solidified our position as an industry leader.

OUR HISTORY

Established in 1985 by Mr. Siddique as Siddique and Sons in Hafizabad, GM Plastic Industry started as a specialist in juicer parts. After Mr. Siddique's passing in 2005, his sons took over, rebranding and relocating the company to Ajmal Town, Gujranwala. Expanding their product range and enhancing operational efficiency, GM Plastic Industry quickly became Pakistan's leading juicer dealer, commanding a 70% market share.

MISSION

At GM Group, our mission is to enhance the joy of cooking and home living by offering premium kitchen appliances that blend innovation with reliability. We are dedicated to empowering our customers with products that promote health, convenience, and culinary creativity.

VISION

Our vision at GM Group is to be a global leader in the kitchen appliance industry, known for our commitment to excellence, innovation, and sustainability. We aim to continually exceed customer expectations, enriching homes worldwide with products that inspire healthier lifestyles and elevate everyday cooking experiences.

OUR MESSAGE

GHULAM MUSTAFA

C.E.O MESSAGE

At GM Plastic Industry, our journey since 1985 has been defined by a commitment to excellence. We started with a simple goal: to provide high-quality, innovative products that simplify our customers' lives. Today, we're proud of the trust we've earned and the relationships we've built. As CEO, I'm honored to lead a team dedicated to innovation, quality, and customer satisfaction. We're excited about the future and remain committed to setting new standards of excellence.
